Dear Posey:

The Man from New York was just here to see me, and gave me \$100.00 on account, to show good faith for the ball game in New York on Sept. 14th at the Polo Grounds. This is the game being sponsored by The New York Age, and played for the benefit of The Fight for Freedom Committee. I want you to get in contact with the people directly. Mr. Fred Moore of The Age is the chairman of the Harlem division, and his address is 250 W. 135th St. I think his son in law Mr. Ludlow Weiner is taking care of the ballgame. The man who has been contacting me, and who brought me the \$100.00 is Mr. Ed. White 1270- 6th Ave. Room 309, c/o The Fight for Freedom Committee.

Now they have offered a guarantee of \$750.00, with an option of 5%. They really expect a big affair. I am almost sure they will give a bigger flat guarantee, or a bigger option. I think I would like a bigger flat. However whatever you do will be alright with me. They are asking for The Grays to play The Eagles. We are so broke up, I think I would wrather have an allstar team. What do you think?

If it is alright, will you send a contract that we all should sign. You would know better how to draw it up than I would.

Did you get Boston for the 7th? If not have you any spot? About Labor Day, I have nothing in mind, I guess we will have to play in Washington. If we will the publicity should be getting started.

Please get this Sept. 14th date straightened out right away, as they want to get started on the publicity.

Very Truly Yours

Do you know any where I can get a ballplayer, Pearson, Christopher and Johnson are all out with injuries.
